

## Rockwell Parts

Rockwell Part - The company of AxleTech International is a big supplier of specialty vehicle drive-train systems and components along with off highway vehicles. They take great pride in being a preferred supplier to their customer base. AxleTech strives to meet and exceed their customers' expectations for service, technology, delivery and quality. They believe in working in an environment which supports the highest integrity with empowered collaboration, together with a persistent pursuit of results.

AxleTech International is a General Dynamics business. They believe strongly in actively utilizing principals of environmental safety and stewardship in how they do business. The company has put different programs in place to be able to articulate these values in their business policy. AxleTech gladly shares this policy and welcomes interested parties to provide them with any comments or questions, as they are glad to share and promote this policy with a greater knowledge of their efforts. They are extremely committed to preserving and improving the environment. AxleTech has an EHS program which not only protects the natural environment but which even actively protects their staff and neighbors as well.

AxleTech specializes in the designing and manufacture of planetary axles used for both commercial and military applications, which could comprise anything from airport ground support to construction equipment. They take great pride in being a ground-breaking drive-train solutions provider also. AxleTech specifically designs axles in order to meet specific application demands. They have over 1000 different axle specs in their present offering. With over one hundred years of history and skill, AxleTech proudly supplies the most complete solution for whichever of your axle requirements. The company is well known in numerous commercial and military applications. They provide complete axle assemblies for aftermarket replacement requirements, along with servicing axle requirements for OE production. Their high mobility ISAS have further details which could be found in the "ISAS" product selection.
