

Trek Parts

Trek Part - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning industry. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have more than 60 years combined experience with effectively developing, marketing, manufacturing, designing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are devoted to offering top quality and new design concepts to be able to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines always offers fresh design concepts. They like providing items which energize both their partners and their dealers and provide production gains to their customers.

The TREK team of employees likes new challenges and new tasks. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' skills and needs combined with their understanding of cleaning applications, together with owners' strong desire to significantly lessen cost through productivity gains.

The personnel at TREK and their dealer-partners are strongly committed to having both parts and technical support accessible when it is needed. Their high service commitment is one of the core values in their customer service. Keeping their customers' cleaning machines working and ready daily is top priority. The company's top of the line technology delivers reliable machine which eventually lowers your cost of cleaning. The product, the price and the service all work as one to make them the leader in the business.
