

## **Lull Telehandler Part**

Lull Telehandler Part - Lull telehandlers have been providing precision load placement ever since the year 1959. Whether the task entails landing loads on scaffoldings, transferring loads or positioning heavy steel, using a Lull telehandler will really help make the job go faster and easier. These units are complete with the patented Stabil-Trak stability system so as to ensure operator confidence.

The horizontal placement system by Lull can supply 80 inches of boom travel for precision placement capabilities. There are also lots of optional Lull accessories for their telehandlers so as to help finish whichever work.
